Subject: Official USPTO Courtesy Reminder: Trademark Registration Maintenance Document Must Be Filed Before Deadline for U.S. Trademark Registration No. 4768960 CARD GUARD

USPTO COURTESY REMINDER

TRADEMARK REGISTRATION MAINTENANCE DOCUMENT UNDER SECTION 8 MUST BE FILED BEFORE DEADLINE OR REGISTRATION WILL BE CANCELLED

U.S. Application Serial No. 85551440

U.S. Registration No. 4768960

U.S. Registration Date: July 7, 2015

Mark: CARD GUARD

Owner: Redbox Automated Retail, LLC

Docket/Reference No. 49021-00064

Issue Date: July 7, 2020

Required submission. The owner of the trademark registration must file a [Declaration of Use and/or Excusable Nonuse Under Section 8](#) (Section 8 Declaration) between now and July 7, 2021. For an additional fee, the owner can file within the 6-month grace period that ends on January 7, 2022.

Optional submission. If the owner can claim the benefits of incontestability, the owner may file an optional Declaration of Incontestability under Section 15. This may be combined with the required Section 8 Declaration by filing a [Combined Declaration of Use and Incontestability Under Sections 8 and 15](#) (Combined Sections 8 and 15 Declaration).

If ownership of the registration or the owner's name has changed, the owner can use the [Electronic Trademark Assignment System \(ETAS\)](#) to record the change. More information on changes of ownership/owner name is available on the [USPTO website](#).

[Click here for more information about maintaining a trademark registration.](#)

Proof of Use Audit. The USPTO is conducting an audit program to promote the accuracy and integrity of the trademark register. If a registration is selected for audit, the holder/owner will be required to submit proof of use for additional goods/services for which use is claimed in a Section 8 Declaration. Detailed information about the program is available on the [Proof of Use Audit Program webpage](#).

Determination of time of receipt by USPTO. Correspondence transmitted through the Trademark Electronic Application System (TEAS) is considered filed on the date the USPTO receives the transmission in Eastern Time.

If the owner fails to file a timely Section 8 Declaration the registration will be CANCELLED and cannot be reinstated.

This reminder notice is being sent only as a courtesy to trademark owners who maintain a current email address with the USPTO. Failure by the USPTO to send a reminder or non-receipt of a reminder does not excuse a trademark owner from meeting the statutory obligations for maintaining a registration.

[Foreign-domiciled owners must have a U.S.-licensed attorney](#) represent them at the USPTO in any post-registration filing.

[Beware of misleading notices sent by private companies about registrations.](#) Private companies **not** associated with the USPTO use public information available in trademark registrations to mail and email trademark-related offers and notices - most of which require fees. All **official USPTO correspondence** will only be **emailed from the domain "@uspto.gov."**

Direct questions about this notice to the Trademark Assistance Center at 1-800-786-9199 (select option 1) or TrademarkAssistanceCenter@uspto.gov.

**REQUIREMENTS TO MAINTAIN YOUR FEDERAL
TRADEMARK REGISTRATION**

**WARNING: YOUR REGISTRATION WILL BE CANCELLED IF YOU DO NOT FILE THE
DOCUMENTS BELOW DURING THE SPECIFIED TIME PERIODS.**

Requirements in the First Ten Years*

What and When to File:

First Filing Deadline: You must file a Declaration of Use (or Excusable Nonuse) between the 5th and 6th years after the registration date. *See* 15 U.S.C. §§1058, 1141k. If the declaration is accepted, the registration will continue in force for the remainder of the ten-year period, calculated from the registration date, unless cancelled by an order of the Commissioner for Trademarks or a federal court.

Second Filing Deadline: You must file a Declaration of Use (or Excusable Nonuse) **and** an Application for Renewal between the 9th and 10th years after the registration date.*
See 15 U.S.C. §1059.

Requirements in Successive Ten-Year Periods*

What and When to File:

You must file a Declaration of Use (or Excusable Nonuse) **and** an Application for Renewal between every 9th and 10th-year period, calculated from the registration date.*

Grace Period Filings*

The above documents will be accepted as timely if filed within six months after the deadlines listed above with the payment of an additional fee.

***ATTENTION MADRID PROTOCOL REGISTRANTS:** The holder of an international registration with an extension of protection to the United States under the Madrid Protocol must timely file the Declarations of Use (or Excusable Nonuse) referenced above directly with the United States Patent and Trademark Office (USPTO). The time periods for filing are based on the U.S. registration date (not the international registration date). The deadlines and grace periods for the Declarations of Use (or Excusable Nonuse) are identical to those for nationally issued registrations. *See* 15 U.S.C. §§1058, 1141k. However, owners of international registrations do not file renewal applications at the USPTO. Instead, the holder must file a renewal of the underlying international registration at the International Bureau of the World Intellectual Property Organization, under Article 7 of the Madrid Protocol, before the expiration of each ten-year term of protection, calculated from the date of the international registration. *See* 15 U.S.C. §1141j. For more information and renewal forms for the international registration, see <http://www.wipo.int/madrid/en/>.

NOTE: Fees and requirements for maintaining registrations are subject to change. Please check the USPTO website for further information. With the exception of renewal applications for registered extensions of protection, you can file the registration maintenance documents referenced above online at <http://www.uspto.gov>.

NOTE: A courtesy e-mail reminder of USPTO maintenance filing deadlines will be sent to trademark owners/holders who authorize e-mail communication and maintain a current e-mail address with the USPTO. To ensure that e-mail is authorized and your address is current, please use the Trademark Electronic Application System (TEAS) Correspondence Address and Change of Owner Address Forms available at <http://www.uspto.gov>.

OFFICE ACTION

STRICT DEADLINE TO RESPOND TO THIS LETTER

TO AVOID ABANDONMENT OF APPLICANT'S TRADEMARK APPLICATION, THE USPTO MUST RECEIVE APPLICANT'S COMPLETE RESPONSE TO THIS LETTER **WITHIN 6 MONTHS** OF THE ISSUE/MAILING DATE BELOW.

ISSUE/MAILING DATE: **1/3/2013**

PLEASE NOTE: Applicant is encouraged to telephone or e-mail the assigned trademark examining attorney to resolve the issues raised in this Office action by examiner's amendment. Although a formal response may never be submitted by e-mail, an applicant may communicate informally by phone or e-mail with the trademark examining attorney to agree to a proposed amendment to the application that will immediately place the application in condition for publication for opposition, issuance of a registration, or suspension. See TMEP §707.

Upon review of the facts of record, the examiner now raises the following issues. The examiner apologizes for the delay in raising these issues and for any inconvenience that may result from it.

NEW ISSUE –Requirement for Clarification of Identification Language

The wording *“Retail services, on-line retail services ...in the field of DVDs, movies, television programs, video games, and prerecorded electronic media,” “retail services featuring DVDs, prerecorded videos, video-on-demand transmission services, and video broadcasting by means of communications networks,” and “computer online retail services featuring prerecorded videos, video-on-demand transmission services, and video broadcasting by means of communications networks”* in the identification of services is indefinite and must be clarified because it is indefinite as to the form of the services. See TMEP §1402.01.

Additionally, the following language is indefinite as to whether the applicant is providing a separate telecommunications services or retail services that sell on-demand telecommunications services: *“video-on-demand transmission services and video broadcasting.”*

The applicant may clarify by amending to the following, if accurate:

International Class 035

Vending services, namely, providing vending machines featuring DVDs, movies, and prerecorded electronic media; vending machine services; ***Retail store services, online retail store services***, and distributorship services in the field of DVDs, movies, and prerecorded electronic media; Distributorship services in the field of entertainment content, media content, digital content, and prerecorded media; Vending services in the field of DVD rentals; Vending services featuring movies, entertainment content, media content, digital content, and prerecorded media; Retail services provided through automated vending machine kiosks featuring movies, entertainment content, media content, digital content, and prerecorded media; Automated retail services, namely, vending machines featuring DVDs, movies, and prerecorded electronic media featuring entertainment content; Automated retail services, namely, online retail store services featuring DVDs, movies, and prerecorded electronic media featuring entertainment content; Distributorship services in the field of DVDs featuring movies, online retail store services featuring pre-recorded videos featuring entertainment in the nature of movies, motion picture films, television programs; Automated retail services, namely, automated retail vending machines featuring entertainment content, media, DVDs, movies, digital content, and prerecorded media; ***Retail store services featuring pre-recorded DVDs and pre-recorded digital videos featuring movies and motion picture films by means of communications networks***; Automated retail services, namely, providing automated retail vending machines featuring ***entertainment content in the form of pre-recorded DVDs featuring movies, digital video and audio content, and prerecorded digital media***; Computer online retail store services featuring prerecorded videos by means of communications networks.

International Class 038

Video-on-demand transmission services and video broadcasting by means of communications networks.

For assistance with identifying and classifying services in trademark applications, please see the USPTO's online searchable *U.S. Acceptable Identification of Goods and Services Manual* at <http://tess2.uspto.gov/netahtml/tidm.html>. See TMEP §1402.04.

An applicant may amend an identification of services only to clarify or limit the services; adding to or broadening the scope of the services is not permitted. 37 C.F.R. §2.71(a); see TMEP §§1402.06 *et seq.*, 1402.07 *et seq.*

Requirement for Submission of Additional Fees or Restriction of Identification Language

The application identifies services that are classified in at least two (2) classes; however, the fees submitted are sufficient for only one (1) class. In a multiple-class application, a fee for each class is required. 37 C.F.R. §2.86(a)(2); TMEP §§810.01, 1403.01.

Therefore, applicant must either (1) Restrict the application to the number of classes covered by the fee already paid, or (2) Submit the fees for the additional class.

For an application with more than one international class, called a "multiple-class application," an applicant must meet all the requirements below for those international classes based on an intent to use the mark in commerce under Trademark Act Section 1(b):

- (1) LIST SERVICES BY INTERNATIONAL CLASS: Applicant must list the services by international class.
- (2) PROVIDE FEES FOR ALL INTERNATIONAL CLASSES: Applicant must submit an application filing fee for each international class of services not covered by the fee already paid (confirm current fee information at http://www.uspto.gov/trademarks/tm_fee_info.jsp).

See 15 U.S.C. §§1051(b), 1112, 1126(e); 37 C.F.R. §§2.34(a)(2)-(3), 2.86(a); TMEP §§1403.01, 1403.02(c).

If applicant has any questions about its application or needs assistance in responding to this Office Action please telephone the assigned trademark examining attorney directly at the number listed below.

WARNING

PRIVATE COMPANY SOLICITATIONS REGARDING YOUR APPLICATION: Private companies **not** associated with the USPTO are using information provided in trademark applications to mail or e-mail trademark-related solicitations. These companies often use names that closely resemble the USPTO and their solicitations may look like an official government document. Many solicitations require that you pay "fees."

Please carefully review all correspondence you receive regarding this application to make sure that you are responding to an official document from the USPTO rather than a private company solicitation. All official USPTO correspondence will be mailed only from the "United States Patent and Trademark Office" in Alexandria, VA; or sent by e-mail from the domain "@uspto.gov." For more information on how to handle private company solicitations, see http://www.uspto.gov/trademarks/solicitation_warnings.jsp.

ISSUE/MAILING DATE: 3/29/2012

OPEN APPLICATION ISSUES THAT MUST BE ADDRESSED IN RESPONSE TO OFFICE ACTION:

The following are the open application issues that the applicant must address in order to have a complete response to this Office action:

-Requirement -Clarification of Indefinite Identification and Proper Classification of Services

-Requirement for Submission of Additional Fees or Restriction of Identification Language

The assigned trademark examining attorney has reviewed the referenced application and has determined the following:

Search

The Office records have been searched and no similar registered or pending mark has been found that would bar registration under Trademark Act Section 2(d), 15 U.S.C. §1052(d). TMEP §704.02. In order to pursue registration, however, the applicant must respond to the following requirements.

Requirement -Clarification of Indefinite Identification and Proper Classification of Goods and Services

The following goods are classified incorrectly in International Class 009: “Vending machines.” Applicant must amend the application to classify the goods in International Class 007. *See* 37 C.F.R. §§2.32(a)(7), 2.85; TMEP §§1401.02(a), 1401.03(b).

The identification of goods and services is unacceptable as indefinite. The applicant must clarify the identification as follows. TMEP §1402.01.

The wording “vending services,” “retail services; online retail services; distributorship services” in the identification of services is indefinite and must be clarified because it does not specify the type of goods that the services feature or the field of use for the services. *See* TMEP §1402.01.

The applicant may clarify by amending to one or all of the following in ***International Class 035***, if accurate:

“Vending services, namely providing vending machines featuring **{specify goods, e.g., DVDs, movies and prerecorded electronic media}**,”
“Retail services, on-line retail services and distributorship services in the field of **{specify field of use, e.g., DVDs, movies and prerecorded electronic media}**.”

The wording “Transmission services; broadcasting services; streaming services; distribution of entertainment content” and “computerized online retail services featuring pre-recorded videos, video-on-demand transmission services, video broadcasting, transmission of voice, data, images, signals, messages and information, rental of video recordings by means of communications networks, and providing information in the field of entertainment by means of communications networks” in the identification of services is indefinite and must be clarified because it does not specify the form of the services or the featured content of the services. *See* TMEP §1402.01.

The applicant may clarify by amending to one or all of the following, if accurate:

“Computerized online retail services featuring pre-recorded videos, video-on-demand transmission services and video broadcasting by means of communications networks” in ***International Class 035***.

“Satellite transmission services,” “Internet broadcasting services,” “Video streaming services via the Internet featuring films and movies,”
“Distribution of entertainment content, namely, Mobile media services in the nature of electronic transmission of entertainment media content”
and “Electronic, electric, and digital transmission of voice, data, images, signals, messages and information by means of communications networks” in ***International Class 038***.

“Rental of video recordings by means of communications networks” in ***International Class 041***.

The wording “Entertainment services; rental services; retail services” in the identification of services is indefinite and must be clarified because it does not specify the form of the services or the featured content of the services. *See* TMEP §1402.01.

The wording “Entertainment rental services provided through automated vending machines, namely, rental of **..entertainment content, media content, digital content, prerecorded media**” in the identification of services is indefinite and must be clarified because it is indefinite as to the form of the featured goods. *See* TMEP §1402.01.

The applicant may clarify by amending to one or all of the following, if accurate:

“Retail services featuring **{specify featured items, e.g., DVDs, pre-recorded videos, video-on-demand transmission services and video broadcasting by means of communications networks}**” in ***International Class 035***.

“Entertainment services, namely, nature of **{specify nature of performance, e.g., live dance, musical}** performances” and “Rental services featuring **{specify goods, e.g., DVDs and pre-recorded electronic media featuring movies}**” and “Entertainment rental services provided through automated vending machines, namely, rental of DVDs, video discs, movies, pre-recorded digital media content, prerecorded electronic media and prerecorded electronic media featuring entertainment content” in ***International Class 041***.

The following services are classified incorrectly in International Class 041: “automated retail services, namely providing automated retail

vending machines featuring entertainment content, media, DVDs, movies, digital content, and prerecorded media.”

The applicant must amend the application to classify the services in International Class 035. *See* 37 C.F.R. §§2.32(a)(7), 2.85; TMEP §§1401.02(a), 1401.03(b).

The wording “providing rental and purchase services through automated vending machines content, and prerecorded media; rental of video recordings by means of communications networks, and providing information in the field of entertainment by means of communications networks; rental services for DVDs, movies, video games, entertainment content, media content, digital content, and prerecorded media; providing rental and purchase services through automated vending machines” is unacceptably indefinite as to the intended use or purpose for the goods and overly broad because the goods could be classified in more than one International Class. All of these indefinite services are duplicated throughout the applicant’s voluminous identification of goods and services listed in this application. As such, the applicant should delete the duplicative language in this case.

Please also note that parentheses are not acceptable in the identification. TMEP §1402.12. Where indicated “{specify ... },” the examining attorney has merely suggested ways to cure the indefiniteness of the identification. The applicant must list the goods without parentheses.

The following is a sufficiently definite identification of the goods and services recited in this application that the applicant may choose to adopt, if accurate:

International Class 007

International Class 035

Vending services, namely providing vending machines featuring DVDs, movies and prerecorded electronic media; Retail services, on-line retail services and distributorship services in the field of DVDs, movies and prerecorded electronic media; Distributorship services in the field of entertainment content, media content, digital content, and prerecorded media; Vending services in the field of DVD rentals; Vending services featuring movies, entertainment content, media content, digital content, and prerecorded media; retail services provided through automated vending machines kiosks featuring movies, entertainment content, media content, digital content, and prerecorded media; Automated retail services, namely vending machines featuring DVDs, movies, and prerecorded electronic media featuring entertainment content; Automated retail services, namely, online retail store services featuring DVDs, movies, and prerecorded electronic media featuring entertainment content; distributorship services in the field of DVD's featuring movies, online retail store services featuring pre-recorded videos featuring entertainment in the nature of movies, motion picture films, television programs; Automated retail services, namely, automated retail vending machines featuring entertainment content, media, DVDs, movies, digital content, and prerecorded media; Computerized online retail services featuring pre-recorded videos, video-on-demand transmission services and video broadcasting by means of communications networks; Retail services featuring DVDs, pre-recorded videos, video-on-demand transmission services and video broadcasting by means of communications networks; Automated retail services, namely providing automated retail vending machines featuring entertainment content, media, DVDs, movies, digital content, and prerecorded media;

For assistance with identifying and classifying goods in trademark applications, please see the online searchable *Manual of Acceptable Identifications of Goods and Services* at <http://tess2.uspto.gov/netahtml/tidm.html>. See TMEP §1402.04.

An applicant may amend an identification of goods only to clarify or limit the goods; adding to or broadening the scope of the goods is not permitted. 37 C.F.R. §2.71(a); see TMEP §§1402.06 *et seq.*, 1402.07 *et seq.*

Requirement for Submission of Additional Fees or Restriction of Identification Language

The application identifies services that are classified in at least four (4) classes; however, the fees submitted are sufficient for only one (1) class. In a multiple-class application, a fee for each class is required. 37 C.F.R. §2.86(a)(2); TMEP §§810.01, 1403.01.

Therefore, applicant must either (1) Restrict the application to the class covered by the fee already paid, or (2) Submit the fees for the additional classes.

For an application with more than one international class, called a “multiple-class application,” an applicant must meet all the requirements below for those international classes based on an intent to use the mark in commerce under Trademark Act Section 1(b):

- (1) LIST SERVICES BY INTERNATIONAL CLASS: Applicant must list the goods and/or services by international class.
- (2) PROVIDE FEES FOR ALL INTERNATIONAL CLASSES: Applicant must submit an application filing fee for each international class of services not covered by the fee(s) already paid (confirm current fee information at http://www.uspto.gov/trademarks/tm_fee_info.jsp).

See 15 U.S.C. §§1051(b), 1112, 1126(e); 37 C.F.R. §§2.34(a)(2)-(3), 2.86(a); TMEP §§1403.01, 1403.02(c).

TEAS Plus applicants who do not meet these requirements must submit an additional fee of \$50 per international class of goods. 37 C.F.R. §2.6(a)(1)(iv); TMEP §819.04. In appropriate situations and where all issues can be resolved by amendment, responding by telephone to authorize an examiner’s amendment will not incur this additional fee.
